## INTRODUCTION

Hello. Thanks for showing interest in Union St. You can find us in Sheffield City Centre – unsurprisingly – on Union Street. We live in a 4-storey building with hireable meeting rooms, co-working desks and an event space, all served up with fresh coffee from Motore Café and delicious food from a variety of street food traders.

Before we arrived, Union St was an abandoned office block. Nowadays, it is a thriving not-for-profit enabling people to work together, collaborate on new start-ups, attend a range of workshops and get inspired.. In a normal week, you can find everything from yoga to business meetings in Union St's event space.

And talking of event space, we have a range of rooms available to hire, including the One Space with a capacity of up to 70, two small meeting rooms and a relaxed café location. If you'd like to know more, read on...

## The One Space

The One Space is a flexible space suitable for meetings, trainings and conferences. It is a bright space on the first floor available with projector, screen, WIFI, and flipcharts.

The space is also used for events and workshops; previous events have included clothing exchanges, yoga, team-buildings and rehearsal space.

**“The location of Union St is amazing – it’s about 50 meters from the Peace Gardens and close to all bus routes. As an organisation with a city-wide team, having a central meeting place means people don’t get excluded from being involved.” ACORN**
